Jagiellonian University in Cracow

Construction investments and the investment process in the EU perspective

- Directive 2001/42/EC of the European Parliament and of the Council of 27 June 2001 on the assessment of the effects of certain plans and programmes on the environment
- Directive 2011/92 on the assessment of the effects of certain public and private projects on the environment

Civic participation in the environmental and investment processes

- taking into account public interest
- right to information about environment
- public participation in environmental procedures

Environmental protection in investment process – specific examples

- Investing in renewables
- Investing in EV
