## Organization Committee

Dr. Waclaw Roman Strobel - Director ITP  
Dr. Witold Wardal - president  
Prof. Waclaw Romaniuk - co-president  
MSc. Eng. Kinga Borek - secretary, ITP  
Dr. Kamila Mazur - ITP  
Dr. Grzegorz Wałowski - ITP  
Dr. Andrzej Seliga - Warsaw branch manager  
MSc. Przemysław Trzosek Deputy Director, ITP  
MSc. Jacek Zamielski - Director's Advisor, ITP  
PhD. Jan Barwicki. - ARiMR  
Prof. Adam Kupczyk - SGGW  
MSc. Eng. Bogdan Łochowski - ITP  
PhD. Andrzej Karbowy - ZUT Szczecin  
PhD. Andrzej Borusiewicz - WSA Łomża  
MSc. Renata Kalinowska - ITP  
Daniel Mumot - ITP

**The Conference will be held on 16 of September 2020  
in on-line mode.**

**Beginning at 10<sup>00</sup> o'clock. We will provide a link a  
week before the conference.**

## Principal scientific topics of the Conference:

- technological processes in animal production with the maintenance of animal welfare,
- determination of the future works concerning adaptation of technological standards in animal husbandry and the elements of infrastructure to the EU requirements and environment protection,
- development of the technologies ensuring proper conditions for the animals as well as the work safety for operating personnel,
- improvement of the livestock buildings as an element of infrastructure in modern development for rural area,
- gaining the biogas from natural manure and crop production,
- acidification methods of slurry as an action limiting the emission of ammonia,
- development of the livestock buildings, low-carbon and low-energy.

The conference fee is **300 PLN**. The charge includes the cost of a monographic materials (including publishing your paper in the form of a chapter monograph), editorial preparation, printing, sending the monograph and ensuring on-line transmission.

### Important fixed dates:

- to attend the conference, submission of the presentation subject, submission of the title of the article, make a payment – **until 20 August, 2020**
- sending articles – **until 25 August, 2020**

The conference fee should be paid into account:

### **ALIOR BANK**

**IBAN: PL 40 2490 0005 0000 4530 9244 4533**

**BIC/SWIFT: ALBPPLPW**

with the note: "ZSIT Conference" and the name of Participant paying the conference fee.

Persons interested are kindly requested to address the  
correspondence (notifications) as follows:

## The 26th International Scientific Conference

on „Problems of animal production intensification  
with regard to environment protection, EU  
standards and alternative energy production,  
including biogas”

16 September 2020 (on-line)

### Notification of participation

First name:.....

Name:.....

Scientific title or degree:.....

Institution (name, address) .....

.....

.....

.....

I am a VAT payer, NIP number.....

I authorize the Institute (ITP) to making out the  
VAT invoice, without our signature.

Address to correspondence:.....

Street:.....

Post code, locality:.....

Phone number:.....

E-mail:.....

I submit the article (title):.....

.....

.....

.....

.....

I submit the presentation (title):.....

phone: +48 694 710 097  
e-mail: [w.wardal@itp.edu.pl](mailto:w.wardal@itp.edu.pl)

**Please send articles to three e-mails to: Kinga Borek, Kamila Mazur and Witold Wardal.**

## INSTRUCTION FOR PREPARING THE PAPER – ARTICLE TEXT

The papers qualified to printing, after reviewing, will be published in monograph *“Problems of animal production intensification with regard to environment protection, EU standards and alternative energy production, including biogas”*.

### REQUIREMENTS:

- Material should be inserted into maximum 4 pages of size A4,
- Text should be written with 12 point type of Times New Roman at single space between the lines. MS Word is requested as text editor,
- All the margins should 25 mm. Size and form of the figures, diagrams, tables, drawings etc have to be black-and-white and legible,
- Material should be sent by e-mail as an attachment in Word format to the following addresses: [k.borek@itp.edu.pl](mailto:k.borek@itp.edu.pl), [k.mazur@itp.edu.pl](mailto:k.mazur@itp.edu.pl) and [w.wardal@itp.edu.pl](mailto:w.wardal@itp.edu.pl)

### ARTICLE OUGHT TO CONTAIN:

- Author's first name and name, name of the institution, locality – put into left top corner of the sheet, small letters; next the double line space,
- Title of the paper (in the middle of sheet), capital letters, bold-faced type; next the space of 1,5 line,
- Inscription – “Streszczenie” (**Summary**) in Polish language, in the middle of sheet, small letters (lower case), bold-faced type; the volume of Polish summary up to 12 lines; next the single space, Słowa kluczowe (Keywords) - max. 5.
- Titles of the chapters should be printed with capital letters, from the left margin,
- Inscriptions – BIBLIOGRAPHY – ought to be printed from the left margin; bibliographical positions according to the following pattern: Kowalski W. 2004. Instruction for lecture elaboration. Organization of the Conference, 9 (20), pp. 49-58,
- English summary, up to 1 A4 sheet volume; title of the paper in English by bold-faced capital letters, in the middle of the sheet; author's name – small letters, in the middle of the sheet; inscription – **Summary** – small, bold-faced letters, in the middle of the sheet. Key words - max. 5.

### DIRECTOR OF THE INSTITUTE AND THE DEPARTMENT OF RURAL TECHNICAL INFRASTRUCTURE SYSTEMS

are pleased to invite

**to 26th INTERNATIONAL SCIENTIFIC CONFERENCE  
under the patronage of the Minister of Agriculture  
and Rural Development**

*on “Problems of animal production intensification  
with regard to environment protection, EU  
standards and alternative energy production,  
including biogas”*

**16 September 2020**

### COOPERATING UNITS:

- Department of Organization, Management and Production Engineering at SGGW
- Department of Renewable Energy Sources Engineering ZUT
- Higher School of Agribusiness in Lomza
- University of Agriculture in Krakow
