FORM FOR EMPLOYERS

INSTITUTION: Institute of Technology and Life Sciences

CITY: Poznan

POSITION: Lecturer (assistant professor) part time 0.7

DISCIPLINE: mechanical engineering / environmental engineering, mining and energy

POSTED: 28.10.2020

EXPIRES: 13.11.2020

WEBSITE: www.itp.edu.pl

KEY WORDS: mechanical engineering, process apparatus, chemical and process engineering, modeling of thermal-flow processes, processes in environmental engineering.

DESCRIPTION (field, expectations, comments):

Basic requirements:

- Doctoral degree in a discipline consistent with the position
- Training in the use of laboratory or specialized equipment
- Knowledge of at least two modern languages at the communicative level (English, German or Russian)
- Several years experience in the scientific or scientific-didactic position
- Substantial experience in implementing research and development outcomes
- Publishing achievements applied to issues associated apparatus and process engineering
- Significant knowledge in the scope of the represented discipline and specialty
- Substantial knowledge of scientific work methodology
- Very good abilities in terms of time management and self-organization during work

Additional requirements:

- Analytical skills and creativity
- Fluent skills in Microsoft Office package
- Ability to work in a team
- Ability to organize field research
- Knowledge of the principles and methods used in research positions
- Experience in conducting research in the field of mechanical engineering
- Very good knowledge of MS Projec and Statistica software
- Knowledge of the issue related to the design of flow and agroenergetic installations, waste management for energy purposes
- Knowledge of agroenergetic and Circular Economy issues

Interested persons are requested to send their offers containing:

- an application addressed to the Institute Director

- a Curriculum Vitae
- a copy of the university diploma
- a copy of the PhD diploma or a certificate confirming the PhD's degree
